

Kodaira City The 4th Long-term General Plan

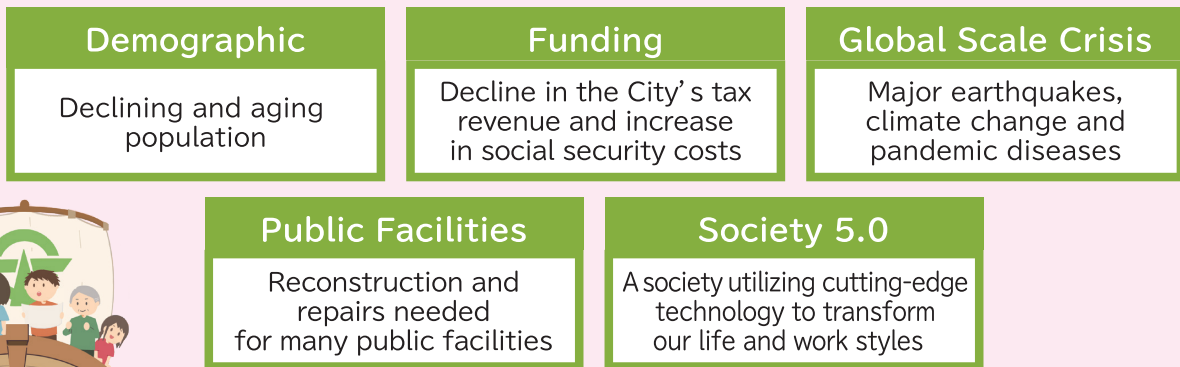

The Long-term General Plan

Kodaira City's the 4th Long-term General Plan (the Plan) is compiled based on the Basic Autonomy Ordinance to serve as the blueprint for Kodaira City's (the City) future community building. It illustrates the City's long-term vision, what it values and what it will work on in order to build a sustainable society and create a more attractive community. **The Plan will be achieved through the collaboration of all relevant parties.**

Challenges Facing Community Building

Significant changes are expected in various social aspects.

The Plan is designed to showcase the City's course of action towards the year of 2032.

Highlights of the Plan

Steps for 2032

In the run-up to 2062, the centenary anniversary of the City's recognition as a municipality, the Plan intends to communicate what actions should be taken for the next 12 years from 2021 to 2032, in order to ensure a successful handover of community building to the next generation.

Collaboration of All Relevant Parties

The Plan aims to realize community building by bringing together all relevant parties to share the roles and their resources. Relevant parties include citizens, businesses, the City government, tourists and people with some other kind of connections with the City.

The Plan is designed based on the long-term vision.
